# RELEASE INFO:

This is the latest “EP” Brazilian scene of Eletronic of the year 2009! Launched by TRANZMITTER NETLABEL BRAZIL. This EP contains 4 tracks, unpublished of electronic music. The first track "Minimal Tech House", this third track (Esfera) is the best one!!! Listen the drums well placed. Already in the next track (It’s Your’s) is a “Deep” with a bass guitar and a light melody. To those who enjoy a Techno remix of the second track "It’s Yours" made by Dj Leseux. And to close the EP (Rebolation) we have a typical "Progressive House" with a drums and keyboards striking. For sure “E.M.B. Project” will be the new promise of electronic music. Enjoy and wait for the new album is coming!
